Draw darts on your pattern but don't stitch them in at first. If you have too much fullness across the back, try just large dart first. Keep in mind that this has to pull up OVER your hips!

THE BEST KEPT MAGIC TRICK TO PERFECT FITTING PANTS!

ADD from 1/2" to 1 1/2" to eliminate pulling in the seat area or for large tummy. The best part—if you don't need it- take it out during fitting Copyright 2014
